

5th Japan Autophagy Consortium Symposium

Theme: Latest trends in autophagy and aging research and industrial applications

Date and Time

November 28 (Fri), 2025, 10:30-16:15* Reception begins at 10:00

Participation

Hybrid both onsite and web

Venue

Juntendo University Ariyama Noboru Memorial Hall (Hongo/Ochanomizu Campus)
13th floor, Building 7, 2-1-1 Hongo, Bunkyo-ku, Tokyo

■ Onsite:

- Free for Japan Autophagy Consortium members (corporate members, academic members)
*The number of free participants for corporate members depends on the membership type and number of registrations.
- Non-members: 5,000 yen (payment via Stripe at the time of application)

■ Web online:

- Free for Japan Autophagy Consortium members (corporate members, academic members)
- Non-members: 3,000 yen (payment via Stripe at the time of application)

*** For membership, please review the following.**

Academic Members:

https://autophagy-conso.com/en/register_academic/

Special Corporate Members:

https://autophagy-conso.com/en/register_special_corp/

Supporting Corporate Members:

https://autophagy-conso.com/en/register_supporting_corp/

■Participation in the post-closing reception

Venue: 1899 RESTAURANT OCHANOMIZU

Time: 17:15-19:15

Address: 3-4 Kanda Surugadai, Chiyoda-ku, Tokyo

Fee: 6,500 JPY (depending on the number of participants / cash payment at the venue on the day)

■Apply

If you would participate, please email (info@autophagy-conso.com) us the following information and will receive a registration confirmation and payment details to the email address you provide.

- **Participant Full name**
- **Organization**
- **Email Address**
- **Password (for accessing archived recordings of select presentations, to be provided later)**
- **Attendance Type (In-person or Online)**
- **Attendance at Social Gathering (Yes/No)**

■Program

Scheduled time	Content
10:00-10:30	Registration and Reception
10:30-10:40	Opening Remarks
10:40-11:40	Japan Autophagy Consortium Corporate Member Lecture 1: Activities of the Japan Autophagy Consortium (Activities and Current Status of Each Subcommittee), Utilization and Expansion of the Autophagy Certification Mark <ul style="list-style-type: none">▪ Activities of the “Certification: Standardization WG” toward standardizing package labeling claiming autophagy and examples of certification mark utilization▪ Measures to expand awareness of “autophagy” by the Awareness-Raising WG and their effectiveness Japan Autophagy Consortium Corporate Member Lecture 2: Case studies from Japan Autophagy Consortium member companies <ul style="list-style-type: none">• Efforts toward autophagy as a supplement• Efforts to develop domestic NMN raw materials and verify their function
11:40-13:10	Lunch break 12:00-12:30 Pitch talk by Japan Autophagy Consortium member companies
13:10-14:10	Keynote speech: "New developments in immuno-geroscience targeting senescent cells" Speaker: Dr. Toru Minamino, Professor of Cardiovascular Medicine, Juntendo University Graduate School of Medicine
14:10-14:40	Academia Lecture 1: "Autophagy-mediated maintenance of intestinal homeostasis and its breakdown with aging" Speaker: Dr. Tamaki Yano, Associate Professor, Department of Biofunctional Analysis, Graduate School of Pharmaceutical Sciences, Tohoku University

time	Content
14:40-15:10	Academia Lecture 2: "Development of whole-cell spatial analysis technology and its medical and biological applications" Speaker: Professor Etsuo Suzuki, Juntendo University Graduate School of Medicine, Department of Biochemistry and Biosystems Medical Science
15:10-15:30	break
15:30-16:00	Panel discussion: "What educational activities for businesses and consumers are needed to launch the autophagy industry?" Panelists: Professor Tamotsu Yoshimori, Professor Emeritus, Osaka University; Professor Masaaki Komatsu, Dean, Juntendo University; Yoshihiro Hongo, Production Executive and Chief TV Producer/Director, Mainichi Broadcasting System; and others (those who are able to speak on the day). Facilitator: Yasuharu Matsukawa, Director, Japan Autophagy Consortium (Executive Officer, Bio Development Division Leader, UHA Mikakuto Co., Ltd.)
16:00-16:15	Closing remarks *A business card exchange and social gathering are planned after the closing ceremony

All lectures will be conducted in Japanese. We plan to provide simple translation tools.

If you have any questions, please contact the Japan Autophagy Consortium Secretariat by email(info@autophagy-conso.com).
